TEXAS

National Fellowship of Christian Schools

Each year many of our students go to national competition in Texas. They work very hard to win a spot on the "Texas team". Competition ranges from sports, to drama, to music, to art, to preaching. There is something for everyone. The competition is intense, but much is shared, given, and received by everyone that goes. Each one comes back with more than what they went with.

These are some pictures of Texas through our eyes . . . winning, losing, caring, and sharing.

The Huffman Assembly of God Church (Cathedral of the Cross) has become one of America's largest and fastest growing churches. The church has in eight years, catapulted from under 100 to over 2,000 in attendance. The growth has been steady and solid, brought about by hundreds of spiritually hungry people who have found spiritual identification and fellowship among its members. We give the work of the Holy Spirit the credit, as open minded people have found the love of Christ, Holy faith, and strength in consistent prayer and Bible reading. Truly God has been with us.

The ministry of Huffman Assembly is shared daily over two local radio stations and weekly over television with its "Twentieth Century Guideline" Ministry. Dozens of missionaries are supported by her people also.

The Cathedral Christian School is one of Huffman's newest growing and glowing ministries with a full academic program K-12 grades staffed with the highest accredited personnel and over six hundred in attendance its fourth year. No wonder we say Praise the Lord and congratulations to Cathedral Christian's staff, students and principal, Elwyn McSwain.
